SUBJECT: Staff Recommendation For **Approval** of Tariff Sheets Filed To Comply With The
Commission's Report And Order

DATE: August 9, 2007

On July 30, 2007, Aquila Networks, a division of Aquila, Inc. d/b/a Aquila Networks – L&P and Aquila Networks - MPS (Aquila or Company) of Raytown, Missouri, filed with the Commission four (4) tariff sheets, each bearing a proposed effective date of August 31, 2007, to comply with the Commission's Report And Order issued July 12, 2007 in Case No. EO-2006-0497 (Report And Order). These tariff sheets revise the Company's Net Metering Rider by adding "IEEE 1547" to the requirements for a customer-generator's electrical equipment and installation. The tariff sheets also update the contacts and mailing addresses for filing an interconnection application.

In its Report And Order, the Commission directed in Ordered 3:

No later than August 1, 2007, all Missouri Public Service Commission regulated electric utilities shall file with the Commission revised tariffs to specifically identify compliance with IEEE 1547 as a criterion for approval of customer interconnection of a distributed generation source.

Staff Recommendation

The Staff has reviewed the filed tariff sheets, and is of the opinion that they were filed in a timely manner and comply with the Commission's Report And Order. The Staff therefore recommends that the Commission issue an order approving the following proposed tariff sheets, as filed on July 30, 2007, to become effective on August 31, 2007, as requested by Aquila, or permit the tariff sheet to go into effect by operation-of-law:

P.S.C. MO. No. 1, Electric Rules

1st Revised Sheet No. 110 canceling Original Sheet No. 110
1st Revised Sheet No. 111 canceling Original Sheet No. 111
1st Revised Sheet No. 112 canceling Original Sheet No. 112
1st Revised Sheet No. 115 canceling Original Sheet No. 115

The Staff has verified that this Company is not delinquent on any assessment or the filing of its annual report. The Staff is not aware of any other matter pending before the Commission that affects or is affected by this tariff filing.
