OF THE STATE OF MISSOURI**

In the Matter of a Working Case            )  
to Explore Emerging Issues in            )  
Utility Regulation                            )

**File No. EW-2017-0245**

**REQUEST FOR CHANGE TO WORKSHOP**

**COMES NOW** the Staff of the Missouri Public Service Commission, by and through counsel, and for its *Request for Change to Workshop* in this matter hereby states:

1. The Commission opened this docket to gather information and facilitate discussions of emerging issues in utility regulation. On September 6, 2017 the Commission filed an order scheduling a workshop for November 20, 2017, from 10am to 3pm.

2. Staff in preparing for the workshop has determined it is appropriate to modify the draft agenda to allow for an additional panel discussion to occur. Therefore, the length of time presently scheduled for the workshop will be insufficient to meet the full extent of Staff's current agenda. Staff asks the Commission to extend the workshop by one hour to accommodate this modification to the draft workshop agenda. If Staff's request is approved, and once the draft agenda is finalized, Staff will submit the proposed agenda to the docket.

**WHEREFORE**, Staff respectfully asks this Commission to order the workshop currently scheduled in this docket for November 20, 2017, from 10am to 3pm be modified to 9:30am to 3:30pm to accommodate the draft agenda for this workshop; and grant such other and further relief as the Commission considers just in the circumstances.

Respectively submitted,

**/s/ Whitney Payne**
