ORDER DIRECTING COMMENTS

Issue Date: June 2, 2021

Effective Date: June 2, 2021

The Commission opened this file on May 28, 2020, as a working case to assist its Staff in its consideration of amendments to the Commission's rule on electric renewable energy standard requirements found at 20 CSR 4240-20.100. On May 26, 2021, Staff filed a draft amendment to the rule and asked the Commission to direct interested stakeholders to submit comments about the draft rule amendment. The Commission will do so.

THE COMMISSION ORDERS THAT:

1. Any stakeholder wishing to file comments regarding the draft amendment filed by Staff on May 26, 2021, shall do so no later than July 2, 2021.
2. The Commission's data center shall provide a copy of this order to all Missouri investor-owned electric utilities, to the Office of the Public Counsel, to all intervening parties in the most recent general rate case for each investor-owned electric utility,¹ and to all entities that have previously submitted comments in this file.

¹ Those rate cases are as follows:
Ameren Missouri – ER-2021-0240
Evergy Missouri Metro – ER-2018-0145
Evergy Missouri West – ER-2018-0146
The Empire District Electric Company – ER-2019-0374 (Empire has a new general rate case pending in ER-2021-0312, but the intervening parties in that case have not yet been identified.)

3. This order shall be effective when issued.
