NOTICE REGARDING PROPER FILE CAPTIONING

Issue Date: March 18, 2009

On February 6, 2009, the Commission properly classified these proceedings as workshops. As a result, the file numbers were modified to reflect that these were "EW" files. Unfortunately, when the Commission updated the file numbers in its Electronic Information and Filing System ("EFIS") it mismatched the file numbers to the specific Public Utilities Regulatory Policy Act ("PURPA") standard being considered under each file number. The Commission's Data Center has corrected the error in EFIS.

For clarity the standards should match the file numbers as captioned above and as follows:

EW-2009-0290: Integrated Resource Planning Standard

**EW-2009-0291: Rate Design Modifications to Promote
Energy Efficiency Investments Standard**

EW-2009-0292: Smart Grid Investments Standard

EW-2009-0293: Smart Grid Information Standard

Any future filings in these workshops regarding the particular PURPA standards should be captioned appropriately and references to the individual standards should reference the appropriate file number.
