WORKSHOP QUESTIONS AND SCENARIOS

In its motion asking the Commission to schedule a workshop on Thursday, February 4, 2016, starting at 10:00 a.m. to continue to approximately 3:00 p.m., in the Ballroom (Conference Room 450) of the Governor Office Building in Jefferson City, to address the costs and impacts on reliability of compliance with the U.S. Environmental Protection Agency's ("EPA") Final Clean Power Plan Rule—**Carbon Pollution Emission Guidelines for Existing Stationary Sources: Electric Utility Generating Units**—published in the Federal Register October 23, 2015, to be effective December 22, 2015¹, now at 40 CFR part 60.² Staff stated it would “be filing questions and scenarios in the next few weeks intended to assist those preparing presentations.” Those questions and scenarios are attached. Please file written responses to the questions and scenarios in this file by February 1, 2016, and, if you have arranged a workshop presentation with Natelle Dietrich, Staff Director, please also address these questions and scenarios in your workshop presentation. You may contact Natelle Dietrich, Staff Director, at natelle.dietrich@psc.mo.gov or 573-751-7427.
