File No. EW-2016-0123

SECOND REVISED WORKSHOP DATE

COMES NOW, Staff of the Missouri Public Service Commission, by and through the undersigned counsel, and advises that, due to an unanticipated scheduling conflict, the presently scheduled March 29, 2016, workshop date has become unworkable. Staff has reserved the Ballroom on the fourth floor of the Governor Office Building, Conference Room 450, 200 Madison Street, Jefferson City, Missouri, for May 25, 2016, for purposes of holding a workshop in its investigation of the legal and policy regulatory issues related to the installation and operation of electric vehicle charging facilities, and the associated sale of electricity to electric vehicle owners, and requests that the Commission issue an order rescheduling the workshop date from March 29, 2016, to May 25, 2016. Other than the date of the workshop, the workshop agenda remains unchanged. Staff is not asking that the Commission change the March 1, 2016, date for filing responses to Staff's request for comments.

Respectfully submitted,
