File No. EO-2009-0431

ORDER DIRECTING RESPONSE

Issue Date: June 26, 2009

Effective Date: June 26, 2009

On June 25, 2009, the Commission's Staff filed a recommendation regarding KCP&L Greater Missouri Operations Company's (KCPL-GMO's) application for a true-up of its fuel adjustment clause. KCPL-GMO claims an under-recovery of approximately \$1.3 million, while Staff contends the company has over-recovered by approximately \$4 million.

Commission rule 4 CSR 240-20.090(5)(D) provides that KCPL-GMO's proposed Fuel Adjustment Clause rate adjustments will take effect by operations of law sixty days after KCPL-GMO's May 29, 2009 filing unless the Commission suspends that timeline. That means the Commission must act before July 28. Therefore, the Commission will require KCPL-GMO to respond to Staff's recommendation promptly.

THE COMMISSION ORDERS THAT:

1. KCP&L Greater Missouri Operations Company shall file its response to Staff's Recommendation no later than July 6, 2009.
2. Any other party that wishes to respond to Staff's recommendation shall do so no later than July 6, 2009.

3. This order shall become effective immediately upon issuance.
