## ORDER GRANTING MISSOURI ENERGY GROUP'S MOTION TO LATE-FILE INITIAL BRIEF

Issue Date: February 14, 2011

Effective Date: February 14, 2011

On February 11, 2011, the Missouri Energy Group (MEG) filed a motion seeking leave to late-file its initial post-hearing brief. Under the established procedural schedule, MEG should have filed that brief on February 10, but MEG was unable to file its brief until the next morning because it was unable to access the Commission electronic filing system on the evening of February 10. MEG did, however, serve a copy of its brief on the other parties before the midnight deadline.

MEG's delay in filing its brief did not prejudice any party, and has not inconvenienced the Commission. The Commission will grant MEG's motion.

### THE COMMISSION ORDERS THAT:

1. Missouri Energy Group's Motion for Leave to Late-File Post-Hearing Brief, is granted.

2. This order shall become effective immediately upon issuance.
