**RE: The Empire District Electric Company d/b/a Liberty  
Case No. EO-2023-0358  
2022 RES Compliance Report and 2023-2025 RES Compliance Plan**

Dear Judge Dippell:

On April 14, 2023, and in accordance with Commission Rule 20 CSR 4240-20.100(8), Liberty submitted its 2022 Renewable Energy Standard (“RES”) Compliance Report and 2023-2025 RES Compliance Plan.

Since the initial submission, the Staff of the Commission raised some concerns. At this time, Liberty is submitting a revised 2022 RES Compliance Report and 2023-2025 RES Compliance Plan in public and confidential versions. The table on page 10 of the Report and page 5 of the Plan have been updated, as well as the total compliance cost for 2022 which can be found on page 9 of both the Report and Plan. No changes were made to other portions of the initial filing.

Please bring these filings to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns you may have regarding these filings.

Sincerely,

*Diana C. Carter*
