

DATA INFORMATION REQUEST
Missouri-American Water Company
WR-2011-0337 & SR-2011-0338

Date Requested: 8/15/11

Date Response Provided: 9/6/11

Information Requested:

State the number of valves in MAWC's St. Louis County water system which were inspected for the years 2005, 2006, 2007, 2008, 2009, and 2010.

Requested By: Michael A. Evans – mevans@hstly.com – 314-727-1015
Hammond and Shinnars, PC

Information Provided:

The Company does not maintain a record identifying the number of valves inspected annually. Valve inspections are recorded in the records described in response to UWUA Local 335-004. This information will be made available for review at our office at a time convenient to UWUA Local 335 counsel and Company.

DATA INFORMATION REQUEST
Missouri-American Water Company
WR-2011-0337 & SR-2011-0338

Date Requested: 8/15/11

Date Response Provided: 9/6/11

Information Requested:

Identify each employee assigned to valve maintenance in MAWC's St. Louis County water system for the years 2005, 2006, 2007, 2008, 2009, and 2010. For each such employee, state the employee's name, job title, and amount of time spent engaged in valve maintenance.

Requested By: Michael A. Evans – mevans@hstly.com – 314-727-1015
Hammond and Shinnors, PC

Information Provided:

There is no valve maintenance position, and information related to valve maintenance is not tracked by employee. However, any employee assigned to a maintenance or construction crew during the relevant years likely participated in valve maintenance as part of their job duties. Such information may or may not be recorded as part of the records described in response to UWUA Local 335-004. This information will be made available for review at our office at a time convenient to UWUA Local counsel and Company.
