## **ORDER GRANTING INTERVENTION**

Issue Date: June 5, 2007 Effective Date: June 5, 2007

On February 5, 2007, Aquila Inc., d/b/a Aquila Networks – MPS and Aquila Networks – L&P, filed its Utility Resource Filing as required by 4 CSR 240-22. This filing is also sometimes known as an integrated resource plan, or IRP. The Commission gave notice of this filing, allowing potential parties until February 27 to request intervention.

The City of Kansas City, Missouri applied for intervention out of time. Commission Rule 4 CSR 240-2.080(15) allows parties ten days to respond to motions. No party responded and, indeed, Kansas City represents that Aquila does not oppose Kansas City's intervention. Therefore, the Commission will take the application up unopposed.

Commission Rule 4 CSR 240-2.075(4) allows the Commission to grant intervention to a person who has an interest different from that of the general public and which may be adversely affected by a final order arising from the case, or if granting intervention would serve the public interest. Upon review of the unopposed application, the Commission finds that the applicant meets the standard in Commission Rule 4 CSR

240-2.075(4). Therefore, the Commission will grant the unopposed application, and will allow Kansas City to intervene.

## IT IS ORDERED THAT:

- 1. The application to intervene of the City of Kansas City, Missouri is granted, and the applicant is now a party to this case.
  - 2. This order shall become effective on June 5, 2007.

Ronald D. Pridgin, Senior Regulatory Law Judge, by delegation of authority pursuant to Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri, on this 5<sup>th</sup> day of June, 2007.
