AmerenUE's request to participate in MISO
through its contractual relationship with GridAmerica

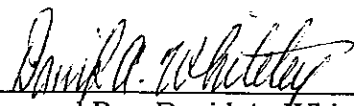

No. 507:

AmerenUE's response to OPC DR 5101 in Case No. EC-2001-1 contained a copy of the 5/30/02 draft of Ameren's strategic plan. Please provide the most recently created draft of the Ameren strategic plan that has been distributed to Ameren's Senior Team. If no new drafts of the Ameren's strategic plan have been created subsequent to 5/30/02, please provide a statement to that effect.

Response:

Objection. This Request is overbroad and seeks information not reasonably calculated to lead to the discovery of admissible evidence. Without waiving said objection, the most recent update of the Ameren strategic plan (dated December, 2002) contains no information about Ameren's participation in GridAmerica.
