In the Matter of Evergy West, Inc. d/b/a                     )  
Evergy Missouri West's Submission of Its                 )  
2021 Renewable Energy Standard                         )  
Compliance Report   )  
**File No. EO-2022-0286**

## ORDER GRANTING APPLICATION TO INTERVENE

Issue Date: May 24, 2022

Effective Date: May 24, 2022

On April 15, 2022, Evergy West, Inc. d/b/a Evergy Missouri West (Evergy West) filed its 2021 Renewable Energy Standard (RES) Compliance Report and its 2022 Annual RES Standard Compliance Plan, as required by Commission Rule 20 CSR 4240-20.100(8). On May 13, 2022, the Missouri Department of Natural Resources – Division of Energy (DE) filed a timely application to intervene. More than ten days have passed since DE applied to intervene and no party has responded to that application.<sup>1</sup>

Commission Rule 20 CSR 4240-2.075(3) provides that the Commission may grant a motion to intervene if it finds that the proposed intervenor has an interest that differs from that of the general public and that may be adversely affected by the final order arising from the case, or if granting the proposed intervention would serve the public interest. The Commission finds that allowing DE to participate will serve the public interest. The Commission will grant the application to intervene.

### THE COMMISSION ORDERS THAT:

1. The Application to Intervene of the Missouri Department of Natural Resources – Division of Energy is granted.

---

<sup>1</sup> Commission Rule 20 CSR 4240-2.080(13) allows parties ten days to respond to any pleading unless otherwise ordered by the Commission.

2. This order shall be effective when issued.
