Re: Name Change Amendment for Cinergy Communications Company Interconnection Agreement

Dear Secretary of the Commission:

Please accept for filing with the Missouri Public Service Commission ("Commission"), pursuant to 4 CSR 240-3.513(6)(A), an amendment to the interconnection agreement entered into between Southwestern Bell Telephone Company d/b/a AT&T Missouri ("AT&T Missouri") and Cinergy Communications Company ("Cinergy") signed by both parties. This amendment reflects Cinergy's name change to "Norlight, Inc." Cinergy's current Agreement is the Sprint "successor M2A" agreement approved by the Commission on August 5, 2005 in Case No. TK-2006-0044. The name change amendment for the Cinergy Agreement is substantially similar to the name change amendment Alltel Missouri, Inc. filed on June 5, 2007, to amend its Interconnection Agreement with Sprint Communications Company, L.P. to reflect the change of Alltel's name to "Windstream Missouri, Inc." The Commission approved Alltel's name change amendment in an Order issued July 5, 2007, in Case No. TK-2007-0465¹.

Thank you for your attention to this matter.

Very truly yours,

/s/ Tim Judge
