RE: Collocation Power Amendment to Interconnection Agreement (M2A) of Ionex
Communications, Inc., (Case No. VT-2005-0005 and Case No. VT-2005-0010)

Dear Judge Roberts:

On July 15, 2004, a Collocation Power Amendment to the Missouri 271 Interconnection Agreement ("M2A Amendment") between Southwestern Bell Telephone, L.P. d/b/a SBC Missouri ("SBC Missouri") and Ionex Communications, Inc. ("Ionex") was filed with the Commission. The filing was later twice amended on July 21, 2004. We understand, however, that when the second amendment was submitted on July 21, a new case was created (i.e., VT-2005-0010). Accordingly, we withdraw the filing of July 15, 2004 that resulted in Case No. VT-2005-0005, and request that the Commission proceed with Case No. VT-2005-0010 instead. For your information and convenience, we enclose an additional copy of the Amendment to be addressed in Case No. VT-2005-0010.

Thank you for assistance in the processing of this filing. Copies are being served on the Commission's General Counsel and Office of the Public Counsel. Please contact me if there are any questions, and we regret any inconvenience we may have caused.

Very truly yours,

A handwritten signature in dark ink, reading "Robert J. Gryzmala", is positioned below the "Very truly yours," text.
