In re: Amendment to Interconnection Agreement Between Southwestern Bell Telephone, L.P., d/b/a SBC Missouri and SBC Advanced Solutions, Inc.

Dear Judge Roberts:

On December 1, 1999, in Case No. TO-2000-261, the Missouri Public Service Commission ("Commission") approved an Interconnection Agreement between Southwestern Bell Telephone Company, L.P., d/b/a SBC Missouri ("SBC Missouri") and SBC Advanced Solutions, Inc. ("SBC Advanced Solutions") (collectively referred to as "the Parties"). That Interconnection Agreement became effective on December 13, 1999.

SBC Missouri and SBC Advanced Solutions, Inc. recently agreed to an amendment to this Interconnection Agreement, entitled: "Amendment to Interconnection Agreement Between Southwestern Bell Telephone, L.P., d/b/a SBC Missouri and SBC Advanced Solutions, Inc." which is attached hereto. SBC Missouri and SBC Advanced Solutions request that you file this Amendment and bring it to the attention of the Commission. This Amendment amends the terms of the Parties' Agreement to ensure that the obligations related to unbundled network elements remain consistent with applicable law. The Parties are filing this Amendment pursuant to Section 251 and 252 of the Telecommunications Act of 1996.

Thank you in advance. If you have any questions, please do not hesitate to contact me. I can be reached on (314)235-4094.

Very truly yours,

Mimi B. MacDonald
