**EVERGY MISSOURI WEST’S RESPONSE  
TO APPLICATION FOR CHANGE OF ELECTRICAL SUPPLIER**

COMES NOW, Evergy Missouri West, Inc. d/b/a Evergy Missouri West (“Evergy Missouri West” or the “Company”) and hereby submits its *Response to Application to Change Electrical Supplier* (“Response”) pursuant to the Missouri Public Service Commission’s (“Commission”) *Order Directing Notice and Directing Responses to Application* (“Order”) issued on August 9, 2023 and, in support thereof, state as follows:

1. On August 7, 2023, Judith Turner-Davis (the “Customer”) filed an *Application for Change of Electric Service Provider* (“Application”) with the Commission, requesting a change from Evergy Missouri West to Platte-Clay Electric Cooperative (“Platte-Clay”) for 18305 Lober Road, Weston, Missouri 64098 (the “Property”).

2. Electric service was established by Evergy at the Property on March 31, 1987. As the provider of the permanent electric service to this Customer, Evergy has the right to continue to serve the Customer.

3. The Company does not believe that the Customer’s Application meets the burden of proof for a change of supplier and, therefore, the Company desires to continue serving the Customer at the Property. The Company believes it could supply electric service to the Customer’s rental property as well as the Property.

4. The Company reserves the right to amend its response to the Application.

**WHEREFORE**, the Company submits its response to the *Order* and *Application*.

Respectfully submitted,
