CORRECTED ORDER APPROVING COMPLIANCE TARIFF SHEET

Issue Date: September 13, 2023

Effective Date: September 13, 2023

Corrected order – the Commission corrects this order, which mistakenly referenced the name of a different utility in the third paragraph (Confluence Rivers). The Commission has corrected the error and made no other changes.

On August 23, 2023,¹ the Commission issued its *Order Approving Application and Granting a Certificate of Convenience and Necessity* (Order) granting Spire Missouri Inc. d/b/a Spire a certificate of convenience and necessity (CCN) as an expansion of its existing natural gas distribution service area in Cass County, Missouri.

On August 24, Spire filed a tariff sheet purporting to be in compliance with the Commission’s Order. That tariff sheet was assigned Tracking No. JG-2024-0025 and had a proposed effective date of September 23.

¹ All dates refer to 2023 unless otherwise stated.

Expedited at the Commission's request, on September 7, the Staff of the Commission (Staff) filed its recommendation that the tariff sheet complies with the Order. Upon reviewing the pleadings, the Commission finds Spire's proposed tariff sheet complies with the Commission's Order and will approve it. To enable the tariff sheet to become effective on the date requested by Spire, the Commission finds it reasonable to make this order effective in less than 30 days.

THE COMMISSION ORDERS THAT:

1. The proposed tariff sheet filed on August 24, and assigned Tracking No. JG-2024-0025 is approved to become effective September 23. The approved tariff sheet is as follows:

P.S.C. MO No. 9

1st Revised Sheet No. 21.2 Cancelling Original Sheet No. 21.2

2. This order shall be effective on September 13.
