RE: Revised Tariff, Case No. GE-2023-0354

Dear Secretary Woodruff,

On behalf of Spire Missouri Inc. (“Company” or “Spire”), I am transmitting herewith for electronic filing with the Missouri Public Service Commission (“Commission”), First Revised Tariff Sheet No. R-8, which incorporates language from the Unanimous Stipulation and Agreement in the above docket. The proposed language explains the temporary variance from the requirements of 20 CSR 4240-10.030(19) relating to the removal, testing and inspection of gas meters and the Spire East meter sampling program approved in GO-95-320. The temporary variance has been granted until December 31, 2025.

The tariff sheet filed herewith contains an issue date of September 15, 2023, with a proposed effective date of October 15, 2023. A copy of the revised tariff has been sent to the Commission Staff and to the Office of the Public Counsel. Filed contemporaneously with this letter and First Revised Tariff Sheet No. R-8 is a motion for expedited treatment, which requests approval of the revised tariff sheet by September 29, 2023.

A copy of all correspondence, notices, orders, and other communications in connection with this matter should be furnished to Julie Johnson, Spire’s Manager of Tariffs and Rates, 700 Market Street, St. Louis, MO 63101 (Julie.johnson@spireenergy.com) and to the undersigned counsel for Spire.

Sincerely,

/s/ J. Antonio Arias
