Issue Date: September 21, 2023

Effective Date: September 29, 2023

On September 7, 2023, the Commission approved a Stipulation and Agreement. That order required Spire Missouri, Inc. (Spire) to file a compliance tariff.

Spire filed a tariff on September 15, 2023 to comply with the Commission's order. The tariff, Tracking No. JG-2024-0040, bears an effective date of October 15, 2023. However, Spire asks for expedited treatment so that the tariff can go into effect by September 29, 2023.

The Commission ordered its Staff to file a Recommendation. Staff did so on September 20, 2023, stating that the Commission should approve the tariff sheet. No other responses were received.

The Commission reviewed the tariff filing and Staff's Recommendation. The Commission will approve the tariff sheet on an expedited basis.

THE COMMISSION ORDERS THAT:

1. The motion for expedited treatment is granted.
2. The tariff sheet in Tracking No. JG-2024-0040, issued September 15, 2023, is approved to become effective on September 29, 2023.

3. This order shall be effective on September 29, 2023.
4. This file shall be closed on September 30, 2023.
