Good morning, Terri. This is Mr. Felber. I recently received paperwork this past week to apply for financial help and medical hardship, in which I would like to apply for.

I have a son who is diagnosed medically and educationally autistic and is also currently blind without corrective vision.

I would like to submit the paperwork given, therefore I can get the balance on the account set up on a term that would be able to help us pay the balance on the account over a period of time.

If you should have any questions regarding the paperwork or need any additional information, please feel free to reach me directly at [REDACTED] or [REDACTED]

Thanks,

Brett Felber
