Summary of Changes for Amendment to 2.060

Section (9) of the current rule is not being deleted as originally proposed in the amendment. This results in a renumbering of the subject rule in accordance with section (9) remaining in the rule. As originally proposed in the amendment, the subject rule would have been renumbered to include sections (1) thru (5). With the change being made to the amendment, the subject rule will now include sections (1) thru (6), with section (3) of the rule being what was originally section (9). Additionally, references to applicable provisions of 4 CSR 240-3 have been added to what was originally section (9) and is now section (3).

NOTE: ALL changes MUST be specified here in order for those changes to be made in the rule as published in the *Missouri Register* and the *Code of State Regulations*.

Add additional sheet(s), if more space is needed.

Chapter 2 – Practice and Procedure

RECEIVED

JAN 23 2003

ORDER OF RULEMAKING

By the authority vested in the Missouri Public Service Commission under sections 386.250 and 386.410, RSMo 2000, as currently supplemented, the commission amends a rule as follows:

SECRETARY OF STATE
ADMINISTRATIVE RULES

4 CSR 240-2.060 Applications is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on September 16, 2002 (27 MoReg 1576-1578). Those sections with changes are reprinted here. The proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The commission did not receive any written comments specifically addressing this proposed amendment, but did receive written comments from one entity pertaining to proposed rules in 4 CSR 240-3 that are related to one portion of this amendment. The comments focused on the use of the term "purchaser" in the subject proposed rules, which is a term that is also used in what is currently section (9) of 4 CSR 240-2.060. The period for receiving written comments on this proposed amendment ended on October 16, 2002. The commission held a public hearing on this proposed amendment on October 25, 2002, but received no comments regarding the amendment at that hearing.

COMMENTS: The commenter stated the opinion that it is inappropriate for the commission to use the term "purchaser" in the context of rules in 4 CSR 240-3 pertaining to transactions such as mergers and consolidations, because there is no purchaser in such transactions.

RESPONSE AND EXPLANATION OF CHANGE: While reviewing the comments to 4 CSR 240-3, the commission determined that taking action to correct terms as proposed by the commenter, even though technically appropriate, could be considered a substantive change. Because the commission had stated during the rulemaking process that it would make no substantive changes to its current rules, the commission determines that no changes will be made to the current text. The commission will, however, begin a new rulemaking process to address the issue raised by the commenter. The commission has also determined that it is not appropriate to delete section (9) from rule 2.060. Therefore, the commission will change the proposed amendment to avoid deletion of section (9) of 4 CSR 240-2.060 in that rule. The commission will also renumber the remaining sections and make reference to the appropriate newly promulgated rules in 4 CSR 240-3 as shown below.

4 CSR 240-2.060 Applications

(3) If the purchaser under the provisions of 4 CSR 240-3.110, 4 CSR 240-3.115, 4 CSR 240-3.210, 4 CSR 240-3.215, 4 CSR 240-3.310, 4 CSR 240-3.315, 4 CSR 240-3.405, 4 CSR 240-3.410, 4 CSR 240-3.520, 4 CSR 240-3.525, 4 CSR 240-3.605 or 4 CSR 240-3.610 is not subject to the jurisdiction of the commission, but will be subject to the commission's jurisdiction after the sale, the purchaser must comply with these rules.

(4) In addition to the requirements of section (1), applications for variances or waivers from commission rules and tariff provisions, as well as those statutory provisions which may be waived, shall contain information as follows:

- (A) Specific indication of the statute, rule or tariff from which the variance or waiver is sought;
- (B) The reasons for the proposed variance or waiver and a complete justification setting out the good cause for granting the variance or waiver; and
- (C) The name of any public utility affected by the variance or waiver.

(5) A name change may be accomplished by filing the items below with a cover letter requesting a change of name. Notwithstanding any other provision of these rules, the items required herein may be filed by a nonattorney. Applications for approval of a change of name shall include:

- (A) A statement, clearly setting out both the old name and the new name;
- (B) Evidence of registration of the name change with the Missouri secretary of state; and

(C) Either an adoption notice and revised tariff title sheet with an effective date which is not fewer than thirty (30) days after the filing date of the application, or revised tariff sheets with an effective date which is not fewer than thirty (30) days after the filing date of the application.

(6) In addition to the general requirements set forth above, the requirements found in Chapter 3 of the commission's rules pertaining to the filing of various types of applications must also be met.
