(B) If any applicant is a Missouri corporation, a Certificate of Good Standing from the secretary of state;

(C) If any applicant is a foreign corporation, a certificate from the secretary of state that it is authorized to do business in Missouri;

...

(E) If any applicant does business under a fictitious name, a copy of the registration of the fictitious name with the secretary of state;

(I) Name, title, address and telephone number of the person to whom correspondence, communications and orders and decision of the commission are to be sent, if other than to the applicant's legal counsel;

(L) A statement that no annual report or assessment fees are overdue; and

(M) All applications shall be subscribed and verified by affidavit under oath by one...of the following methods:...if a corporation, by an authorized officer of the corporation;...or by the attorney for the applicant if the application includes or is accompanied by a verified statement that the attorney is so authorized.

KCPL's application did not comply with Commission Rule(s):

- 4 CSR 240-2.060(1)(K) because its application did not include a statement indicating whether KCPL has any pending action or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or rates, which action, judgment, or decision has occurred within three years of the date of the application;
