Dear Judge Dippell:

The accompanying tariff sheet issued by Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or Company), is being transmitted for filing as 2nd Revised Sheet No. 32.2, which is part of Schedule No. 2, Schedule of Rates for Gas, and will supersede 1st Revised Sheet No. 32.2.

This tariff sheet is being issued September 1, 2023 to become effective on and after November 1, 2023.

The revised sheet includes changes to the Company's Weather Normalization Adjustment Rider (WNAR) as approved by the Commission in Docket No. GR-2021-0241, which provides for the annual reconciliation of the over- or under-billing of the annual WNA for inclusion in the November 1st annual WNAR filing. These revisions reflect an adjustment to the Weather Adjustment Rate for Residential Customers ("WR"). The change in the WR applicable to the Company's service areas will increase to 4.80¢/Ccf from 2.42¢/Ccf.

Please contact me with any questions.

Sincerely,

/s/ Jermaine Grubbs
