REQUIREMENTS OF COMMISSION RULE 4 CSR 240-20.094(8)(B)**

Issue Date: June 19, 2013

Effective Date: June 19, 2013

Commission rule 4 CSR 240-20.094(8)(B), a part of the Commission's rules that implement the Missouri Energy Efficiency Investment Act (MEEIA), calls for the formation of a state-wide advisory collaborative to deal with MEEIA issues. On June 13, 2013, the Commission's Staff filed a motion asking the Commission to open a working case to assist that collaborative in the collection and evaluation of information and to serve as a repository for documents and comments. The first meeting of the collaborative will be held on July 31, 2013 and Staff asks the Commission to provide notice of that meeting to potentially interested stakeholders. Information about that meeting is attached to this order.

This file shall serve as a repository for documents and comments. Using this file, anyone with an interest in this matter may view documents and may submit any pertinent responsive comments or documents. As this is not a contested case, anyone may file a

comment without counsel and without *ex parte* constraints (arising from this matter). Intervention requests are not necessary to submit comments or view documents.

The public is welcome to submit comments by forwarding electronic communications through the Commission's electronic filing and information system (EFIS) or by mailing written comments. You may submit electronic comments at the Commission's website at <http://www.psc.mo.gov>. (Click on the EFIS/Case filings link on the left side of the page. Scroll down and click on the public comment link. Please refer to File No. EW-2013-0519). Written comments in hard copy should be addressed to the Commission at P.O. Box 360, Jefferson City, Missouri 65102 and should also reference File No. EW-2013-0519. The public can view the contents of the file by following the link at <http://www.psc.mo.gov>.
