

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the Matter of the Application of John J. Lindsay                     )  
For Change of Electric Supplier   )     **File No. EO-2023-0266**

**STAFF'S STATUS REPORT**

**COMES NOW** the Staff of the Missouri Public Service Commission ("Staff"), by and through counsel, and tenders the following Status Report:

On August 29, 2023, the Commission issued its order granting a motion to stay the proceedings, suspend the procedural schedule, and cancel the currently scheduled hearing date. The stated purpose was to give the parties an opportunity to resolve the dispute. The Commission ordered Staff to file a status report by September 29, 2023. Staff has consulted with John J. Lindsay and Liberty. Staff reports that per Liberty, the company's equipment is being tested. Otherwise, Staff does not have information, based on discussion with both parties, allowing Staff to report on when/if the parties' dispute might be resolved. Staff suggests that the Commission order the parties to consult with each other and that they each be ordered to directly file their own status report.

**WHEREFORE**, Staff respectfully asks the Commission to accept the foregoing status report as compliance with the Commission's orders.

**Respectfully Submitted,**
