**RE: The Empire District Electric Company d/b/a Liberty  
Case No. ER-2024-0118  
Tracking No. JE-2024-0043**

Dear Judge Dippell:

On September 29, 2023, and in accordance with Commission Rule 20 CSR 4240-20-090(8), Liberty initiated a new case with an ER designation and provided a revised tariff sheet (Seventh Revised Sheet No. 17q) with a proposed effective date of December 1, 2023. Additionally, on September 29, 2023, a substitute tariff sheet and direct schedule 1 to the Direct Testimony of Monica K. Gloodt were filed for clarification purposes.

Since filing, it was discovered that the proposed substitute tariff sheet, which was submitted separately in EFIS and also attached as part of direct schedule 1 to the Direct Testimony of Monica K. Gloodt, did not include the correct tariff header. A redline tariff is being provided to the parties and a revised Direct Schedule MKG-1. As a substitute, this proposed tariff sheet continues to bear an issue date of September 29, 2023, and a requested effective date of December 1, 2023.

Please bring this substitute tariff filing to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns you may have regarding these filings.

Sincerely,

*Diana C. Carter*
