(Country Life Acres).)

AMENDMENT TO THE APPLICATION

COMES NOW Confluence Rivers Utility Operating Company, Inc., (“Confluence Rivers”) and, as its *Amendment to the Application*, in accordance with 20 CSR 4240-2.080(18), states as follows to the Missouri Public Service Commission (“Commission”):

Background

1. On September 29, 2023, Confluence Rivers filed an *Application and Motion for Waiver* (“*Application*”) that seeks permission and approval for the acquisition of, and a certificate of convenience and necessity to install, own, acquire, construct, operate, control, manage, and maintain a sewer system for the public in an area of Jefferson County, Missouri, as an addition to its existing service territories. Confluence Rivers proposes to purchase substantially all of the sewer system assets of the currently unregulated Country Life Acres. Confluence Rivers also requests waiver of Commission Rule 20 CSR 4240-4.017(1) that requires the filing of a notice with the secretary of the Commission at least sixty days prior to the filing of an application.

2. On September 29, 2023, the Commission issued an *Order Directing Notice And Setting A Deadline For Intervention Requests* that, in part, directed any application to intervene to be filed no later than October 20, 2023.

Amendment to the Application

3. Confluence Rivers' *Application*, among other things, included **Appendix C**, a legal description of the area sought to be certificated, and **Appendix D**, a map of the area sought to be certificated. During the processing of this case, it has become apparent that **Appendix C** and **Appendix D** required amendment and Confluence Rivers seeks to file and utilize the correct amended appendices. Accordingly, by this motion, Confluence Rivers seeks the Commission's leave to amend its *Application* to include **Appendix C – Amended** and **Appendix D – Amended**.

4. Commission Rule 4240-2.080(18) provides, in part, that a pleading may be amended "within ten (10) days of filing, unless a responsive pleading has already been filed." . No responsive pleading has yet been filed in this matter. Staff has not yet been ordered to file a recommendation in this matter.

5. Confluence Rivers provides the attached **Appendix C – Amended** and **Appendix D – Amended** and asks that the Commission consider these to replace and amend **Appendix C** and **Appendix D** as filed with the *Application*.

WHEREFORE, Confluence Rivers requests the Commission recognize this *Amendment to the Application* and consider the *Application* amended as stated herein.

Respectfully submitted,
