MOTION FOR EXPEDITED TREATMENT AND APPROVAL OF TARIFF SHEET

COMES NOW Liberty Utilities (Midstates Natural Gas) Corp. d/b/a Liberty, pursuant to 20 CSR 4240-2.065(2), and submits this Motion for Expedited Treatment and Approval of Tariff Sheet (“Motion”). In support of its Motion, Liberty states as follows:

1. On October 4, 2023, the Missouri Public Service Commission (“Commission”) issued its Order Granting Variances (“Order”) herein. In its Order, the Commission granted Liberty’s motion for expedited treatment, request for variances from Commission Rules 20 CSR 4240-13.015(1)(C), 20 CSR 4240-13.020(6), 20 CSR 4240-13.065(2), and waiver of the 60-day notice requirement.

2. Commission Rule 20 CSR 4240-13.065(3) provides that any “variance granted by the commission shall be reflected in a tariff.”

3. In compliance with the Order and Rule 13.065(3), Revised Sheet No. 18 is attached hereto and is being submitted in EFIS as a separate tariff filing.

4. Liberty requests expedited action on this tariff sheet filing. As the Order has been issued granting the requested variance, the tariff sheet simply recites the operative provisions of the Order, and the Commission Rule provides that the granted variances must be reflected in a tariff, good cause exists for the tariff sheet to take effect on less than thirty days’ notice and no harm to Liberty’s customers or the general public will result from the grant of the Motion.

5. This Motion, together with the proposed tariff sheet, was filed as soon as it could have been following issuance of the Order.

WHEREFORE, for the foregoing reasons and for good cause shown, Liberty respectfully requests that the Commission grant this Motion for Expedited Treatment and Approval of Tariff Sheet and approve the tariff sheet as soon as possible.

Respectfully submitted,

/s/ Diana C. Carter
