AUDIT RECOMMENDATION IMPLEMENTATION PLAN

Department: Office and Field Person Responsible for Implementation: Neal Clevenger and Mel Acock Title: President/General Manager and Foreman. Audit Reference Chapter: III Page: 41					
Person Responsible for Implementation: Neal Clevenger and Mel Acock Title: President/General Manager and Foreman. Audit Reference Chapter: III Page: 41 Project No.: 20 Project Priority: High I. MSD STAFF RECOMMENDATION: Require reimbursement to the Company on a monthly basis for personal usage of Company business office labor and equipment. A. Estimated Cost: Minimal B. Estimated Senefits: Eliminate appearance of cross-subsidization - more accurate match of revenues and expenses. C. Estimated Oate of Completion: May 15, 1994 II. DESCRIPTION OF IMPLEMENTATION PLAN: This plan will treat only equipment usage, leaving usage of Office labor to project #21. The President/General Manager has been diminishing his use of Company equipment by increasing his own. In the near future only, the back hoe and one ton truck will be the principal rentals for after hours service line installations by Company personnel. Although rental fees should be comparable to those of rental agencies, management feels the Company fees should be somewhat less for	Function: Financial Management

III. COMPANY'S WORK PLAN AND SCHEDULE:

Phase	Task	Start Data	Complete Oate
Information Collection	Management will seek sample copies of log book pages from rental and trucking agencies.	03/01/94	03/15/94
Field Meeting	Management will discuss the following issues with field per- sonnel for their ideas and suggestions: 1. Solutions to any difficulties in mov- ing from quarterly to monthly reimbursement. 2. More spacious log- ging books & the best arrangement of data. (Refer to sample log books). 3. Ways of securing log books to equip- ment and trucks to prevent loss. 4. Company's repair policy for equipment damaged during rental. 5. Late charges for delinquent rental payments.	03/15/94	04/15/94
Formalize Decisions	Management will formalize a more detailed equipment policy in the Personnel Policy Manual.	04/15/94	05/01/94
Rental Table Update	Foreman will contact rental companies to seif present rates need to be adjusted.	05/01/94 B	05/15/94
Employee Meeting	A Company meeting will be conducted to explain the new updated personal equipment/truck rental policy to all employees	05/15/94 s.	06/01/94

要を表

- B. OTHER RESOURCES: Minimal in-house. No cost for sample logging pages.
- C. ESTIMATED SAVINGS: Company's cash flow is helped by monthly instead of quarterly payments. Preventing loss of log books assures that payments are on record to be paid. A late charge is a further incentive for paying on time.
- O. OTHER BENEFITS: Reducing the appearance of crosssubsidizing promotes trust of customers and of MPSC.
