File No. WC-2023-0353

Reference; Letter/ORDER DIRECTING RESPONSE dated
September 14, 2023

Concerning the reference letter,
I did not receive until September 26,
2023, which had been mailed to
203 North Clay St, PO Box 615, Marshfield
MO. 65706.

I do not receive mail in Marshfield. The Marshfield address is for Jori Jean, the contract licensed operator for the 3 Public Water Systems activated by (DWR) Department of Natural Resources. Jori Jean is not the legal Department as indicated on your address.

Jori Jean forwarded the 3 letters to me, which I received on September 24, 2023.

In addition I was released from the VA Hospital on September 22, 2023 for rest + recuperation from a cardiac surgical procedure completed on September 21, 2023.

In addition, the evidentiary hearing that was scheduled for September 14, 2023 in Jefferson City, was apparently cancelled without any notification to me. I was there

at the scheduled time, and as of currently, I have not been informed of any re-schedule for an evidentiary hearing.

In further response, I submit the attached letter for consideration to withdraw the request for CCN and favor re-organization to a NON-PROFIT HOME OWNERS ASSOCIATION as requested in the attached letter.

Please advise if a hearing has been re-scheduled for issues at hand to be resolved?

Sincerely,

Travis Blevins
