ORDER SETTING PROCEDURAL SCHEDULE

Issue Date: October 18, 2023

Effective Date: October 18, 2023

On June 30, 2023,¹ Evergy Metro, Inc. d/b/a Evergy Missouri Metro and Evergy Missouri West, Inc. d/b/a Evergy Missouri West (together “Evergy”) filed a motion to establish this docket. On September 12, the Commission convened a prehearing conference and requested a proposed procedural schedule from the parties. The parties to this file are Evergy Missouri Metro, Evergy Missouri West, the Staff of the Commission (Staff), the Office of the Public Counsel (OPC), and Midwest Energy Consumers Group (MECG).

On October 6, Evergy, on behalf of the parties, filed a proposed procedural schedule that had the agreement of all parties.² As the filing is unopposed, the Commission finds it reasonable and will order the requested schedule.

¹ All dates refer to 2023 unless otherwise indicated.

² The Commission considers this filing to supersede both Staff’s filing of a proposed procedural schedule on September 20, and Evergy’s September 27 filing of its response and counter-proposed schedule.

THE COMMISSION ORDERS THAT:

1. The following procedural schedule is established:

November 1, 2023	Direct Testimony – Evergy
December 15, 2023	Rebuttal Testimony – (Staff, OPC, and MECG)
January 8, 2024	Surrebuttal Testimony - All Parties
January 11-12, 2024	Settlement Discussions
January 17, 2024	List of Issues
January 18, 2024	Position Statements
January 19, 2024	Joint Statement of Facts
January 30-31, 2024	Evidentiary Hearing
February 29, 2024	Initial Post Hearing Briefs
March 15, 2024	Reply Briefs

2. The Commission shall hold an evidentiary hearing on January 30-31, 2024.

The hearing will begin at 10:00 a.m. on the first day. The hearing shall be held at the Commission’s office at the Governor Office Building, Room 310, 200 Madison Street, Jefferson City, Missouri. This building meets accessibility standards required by the Americans with Disabilities Act. If an accommodation is needed to participate in this hearing, please call the Public Service Commission’s Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 before the hearing.

3. The Parties shall comply with the following procedures:

- A. The Parties shall provide all workpapers, in electronic format, whenever feasible, within two business days following the date on which the related testimony is filed.
- B. Where workpapers or data request responses include models or spreadsheets or similar information originally in a

commonly-available format where inputs or parameters may be changed to observe changes in inputs or outputs, if available in that original format, the party providing the workpaper or response shall provide this type of information in that original format.

- C. All Parties shall provide copies of testimony, schedules, exhibits, and pleadings to other counsel of record by electronic means and in electronic form essentially concurrently with the filing of such testimony, schedules, exhibits, or pleadings where the information is available in electronic format. Parties shall not be required to put information that does not exist in electronic format into electronic format for purposes of exchanging it.
- D. The response time for data requests shall be ten calendar days to provide the requested information, and three business days to object or request an extension to provide the requested information.
- E. Delegation of discovery dispute resolution authority regarding discovery and other discovery requirements:
 - (1) A party with an unresolved discovery dispute may file a motion to request a discovery conference.
 - (2) If necessary, discovery conferences will be held in Room 305 at the Commission's office at the Governor's Office Building, 200 Madison Street, Jefferson City, Missouri. Each discovery conference will begin at 10:00 a.m. For individuals who cannot make the discovery conference in person, there will be a virtual option available through Webex.
 - (3) If necessary, any party that has a discovery disagreement or concern involving another party shall file a brief statement describing that disagreement or concern and identifying any other parties involved. Such statement does not need to be a formal motion to compel. Any party may attend a discovery conference, but only those parties involved in an identified discovery disagreement must attend, virtually or in person.
 - (4) Discovery conferences shall be recorded and shall be transcribed by a court reporter upon request.

(5) Any pending discovery motion may be taken up at a discovery conference and may be ruled upon by the presiding regulatory law judge either on the record, or in a written order.

(6) The Parties shall make an effort to not include confidential information in data request questions and the Parties shall make an effort not to over-designate information as confidential. If confidential information must be included in data request questions, the confidential information should be appropriately designated as such pursuant to 20 CSR 4240-2.135. Responsibility to make this designation is upon the party claiming such. Other parties are entitled to rely on the presence or absence of such designation.

(7) Any data requests issued by or to Staff shall be submitted and responded to in the Commission's Electronic Filing and Information System (EFIS). All data requests other than those issued by or to Staff, as well as all objections to data requests, or notifications of the need for additional time to respond, shall be sent by e-mail to counsel for the other parties. Counsel may designate other counsel to be added to the certified service list and shall assume responsibility for compliance with any restrictions on confidentiality. If any party responds to a data request in EFIS, the response is available in EFIS to all counsel on the certified service list. Data request responses, other than responses to data requests issued by or to Staff, shall be served on counsel for the requesting party's employee or representative who submitted the data request and shall be served electronically, if feasible and not voluminous as defined by Commission rule. If a party desires the response to a data request that has been served on another party, the party desiring a copy of the response must request in writing a copy of the responses from the party answering the data request; thereby providing the responding party the opportunity to object. If a data request has been responded to, a party's request for a copy of the response shall timely be responded to, considering that the underlying data request has already been responded to.

- F. Testimony shall be prefiled as defined in Commission Rule 20 CSR 4240-2.130. All parties must comply with this rule, including the requirement that testimony be filed on line-numbered pages.
- G. The parties shall agree upon and Staff shall file a list of the issues to be heard, the witnesses to appear on each day of the hearing, the order in which they will be called, the order of party cross-examination for each witness, and the order of opening statements. The list of issues shall be stated with particularity. If the parties are unable to agree to an issues list, each party shall file a separate issues list.
- H. Each party shall file a simple and concise statement summarizing its position on each disputed issue. Position statements shall track the list of issues. Any position statement shall set forth any order requested, cite any law authorizing that relief, and allege facts relevant under that law with citations to any pre-filed testimony in support.
- I. All pleadings, briefs, and amendments shall be filed in accordance with Commission Rule 20 CSR 4240-2.080. Briefs shall follow the same list of issues as filed in the case and must set forth and cite the proper portions of the record concerning the unresolved issues that the parties believe require decision by the Commission.
- J. All parties shall bring an adequate number of copies of non-prefiled exhibits that they intend to offer into evidence at the hearing. If an exhibit has not been prefiled, the party offering it must bring, in addition to the copy for the court reporter, copies for the five Commissioners, the Regulatory Law Judge, and all counsel.
- K. Exhibit numbers are assigned as follows:
 - 1-99 Evergy or Evergy Missouri Metro
 - 100-199 Evergy Missouri West (if necessary to file separately)
 - 200-299 Staff
 - 300-399 OPC
 - 400-499 MCEG

Exhibits shall be marked as set forth in Commission Rule 20 CSR 4240-2.135(10)(C); for example, "Exhibit 2" is public, whereas "Exhibit 2C" is the confidential version.

- L. Each party shall prepare a list of its pre-filed, pre-marked exhibits and submit a copy of that list to EFIS no later than January 27, 2024. Exhibits that may be offered during cross-examination, but which have not been pre-filed, need not be included on the list. However, when those documents are offered during the hearing, they will be assigned a number from that party's number group.
- M. Unless otherwise ordered, opening statements are set at a maximum of 15 minutes per party for a general case overview, and mini-opening statements addressing individual issues shall be no more than 10 minutes per party.

4. This order shall be effective when issued.
