Director of the Manufactured Homes
and Modular Units Program of the Missouri
Public Service Commission,

Complainant,

v.

Thomas Smith
7491 HWY VV
Columbia, Missouri 65202

Respondent.

File No. MC-2018-0233

NOTICE OF DISMISSAL

Issue Date: December 10, 2018

On July 25, 2018, the Commission issued its *Order Approving Stipulation and Agreement* in which the Commission concluded that the agreement between the parties was a reasonable resolution of the complaint and that it should be approved. The agreement indicated that upon correction of the bent beam defect, the Manager of the Manufactured Housing and Modular Units Program of the Missouri Public Service Commission would dismiss the underlying complaint in this matter. On October 16, 2018, the Manager notified the Commission that the defect had been corrected and this file should now be closed.

Commission Rule 4 CSR 240-2.116(1) states that a party may dismiss a complaint without an order of the Commission before prepared testimony or oral evidence has been offered. The parties have not offered prepared testimony or oral

evidence. The Commission, therefore, will take notice of the dismissal and this file shall be closed. Even though the file is closed, all portions of the July 25, 2018 *Order Approving Stipulation and Agreement* remain in effect.
