Smithville, MO 64089

2. The name of Applicant's current electric service provider is: Evergy

3. Applicant requests the Missouri Public Service Commission to order a change of electric supplier to the address indicated above.

4. Applicant requested the Commission to order a change of electric supplier from Evergy  
(Current)  
to Platte-Clay Electric Cooperative  
(Requested)

5. Applicant requests the Missouri Public Service Commission to order a change of electric provider for the following reasons. \* I am currently a Platte-Clay Electric Cooperative customer with service to my barn /which is on the same parcel so I'd like to simplify things  
by having one utility company, reduce the monthly access trips in to read my meter. This would also avoid further confusion as to whose responsibility it is when there is a power outage. We've had both power companies show up at the same time before because neither was sure it was their responsibility.

6. Applicant has taken the following steps in an attempt to work out electric service problems with the electric service provider: \_\_\_\_\_
