SECOND ORDER GRANTING MOTION FOR EXTENSION OF TIME

Issue Date: October 17, 2014 Effective Date: October 17, 2014

The Commission issued an order on October 2, 2014 requiring the parties to file a joint list of issues, statements of position, and a joint stipulation of facts, or in lieu thereof a stipulation and agreement and proposed procedural schedule, no later than October 16, 2014. On October 16, 2014, Earth Island Institute d/b/a Renew Missouri ("Renew Missouri"), on behalf of the parties, filed a request for an extension of time. Renew Missouri states in its motion that the parties continue to discuss the issues and are close to resolving some issues, but need additional time to submit a final agreement. Renew Missouri proposes that the deadline be extended until October 20, 2014. The Commission finds the request to be reasonable and will grant it.

THE COMMISSION ORDERS THAT:

1. The deadline for the parties to file a joint list of issues, statements of position, and joint stipulation of facts shall be extended until no later than October 20, 2014. If necessary, the parties may instead file a stipulation and agreement and propose an amended procedural schedule no later than October 20, 2014.

2. This order shall become effective when issued.

BY THE COMMISSION

Morris L. Woodruff Secretary

Michael Bushmann, Senior Regulatory Law Judge, by delegation of authority pursuant to Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri, on this 17th day of October, 2014.
