ORDER APPROVING RECONCILIATION OF CONTESTED ISSUE

Issue Date: January 31, 2019

Effective Date: January 31, 2019

Section 386.420.4, RSMo 2016, requires the Commission to prepare and approve a detailed reconciliation regarding the dollar value and rate or charge impact of the contested issue decided by the Commission in this case. The law requires the Commission to allow the parties an opportunity to provide written input regarding that reconciliation.

On January 25, 2019, Missouri-American Water Company filed its *Motion to Approve Reconciliation*. In its motion, Missouri-American Water Company states that both the Staff of the Commission and the Office of Public Counsel were informed of the reconciliation amount and calculation, and both agree with the dollar value of the contested issue. There were no other parties to this proceeding.

The Commission finds that the reconciliation submitted by Missouri-American Water Company is an accurate representation of the dollar value and rate or charge impact of the issue decided by the Commission. The Commission further finds that the submitted reconciliation satisfies the requirements of Section 386.420.4, RSMo 2016. The Commission will approve the reconciliation.

THE COMMISSION ORDERS THAT:

1. The reconciliation filed by Missouri-American Water Company on January 25, 2019, is approved.
2. This order shall be effective when issued.
