**ORDER DIRECTING NOTICE, SETTING INTERVENTION DEADLINE,
AND DIRECTING STAFF RECOMMENDATION**

Issue Date: February 1, 2019

Effective Date: February 1, 2019

On January 31, 2019, Kansas City Power & Light Company ("KCPL") submitted direct testimony and a tariff designed to implement an adjustment to its Fuel and Purchased Power Adjustment Clause ("FAC"). The submitted tariff bears an effective date of April 1, 2019.

Pursuant to Commission Rule 4 CSR 240-20.090(8), the Commission's Staff shall submit a recommendation regarding the proposed adjustment within 30 days after its filing. Within 60 days after receiving the proposed adjustment, the Commission must: (1) issue an interim rate adjustment order approving the tariff sheets; (2) allow the tariff to take effect without Commission order; or (3) reject the proposed tariff sheets and establish a procedural schedule. Consequently, the Commission shall issue notice, set an intervention deadline, and direct its Staff to file a recommendation.

Commission Rule 4 CSR 240-20.090(17) provides that parties to the most recent rate case in which the Commission established or continued KCPL's fuel adjustment clause are automatically parties to this tariff case, without the necessity of having to apply for

intervention. Therefore, the Commission acknowledges that the parties to File No. ER-2018-0145 (the file in which KCPL's FAC was most recently continued) are parties to this case, and will direct its Data Center to add those parties to the service list.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall serve a copy of this order upon the parties to File No. ER-2018-0145.

2. The Commission's Data Center shall add all parties to File No. ER-2018-0145 to the service list for this case.

3. Any person or entity wishing to intervene shall file an application to intervene no later than February 15, 2019.

4. The Staff of the Missouri Public Service Commission shall file a recommendation regarding its examination and analysis of Kansas City Power & Light Company's application no later than March 1, 2019.

5. The Commission's Data Center shall serve a copy of this order upon the county commission of each county in the service territory of Kansas City Power & Light Company.

6. The Commission's Public Policy and Outreach Department shall make notice of this order available to the members of the Missouri General Assembly representing the residents of the service area of Kansas City Power & Light Company and to the news media serving the residents of the service territory of Kansas City Power & Light Company.

7. This order shall become effective when issued.
