NOTICE OF TARIFF FILING AND ORDER ESTABLISHING TIME TO FILE RECOMMENDATIONS

Issue Date: February 13, 2019

Effective Date: February 13, 2019

On February 12, 2019, Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company (collectively, the “Company”) filed applications for approval to revise their existing tariffs relating to Residential Time of Use. The Company filed sample proposed tariffs and requests that tariffs with those revisions be approved to become effective by April 15, 2019.

The Commission will provide notice of this tariff filing to the parties in the Company’s most recent rate cases, File Nos. ER-2018-0145 and ER-2018-0146. In addition, the Commission will establish a date for the filing of applications to intervene, direct its Staff to file a recommendation about the tariffs, and establish a date for the filing of recommendations by other parties. Since currently there are no actual proposed tariffs for the Commission to approve, the Commission will also direct the Company to file the proposed tariff sheets in EFIS as actual tariffs.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall send a copy of this order to all parties to File Nos. ER-2018-0145 and ER-2018-0146.
2. Any appropriate person or entity wishing to apply to intervene shall do so no later than February 22, 2019.
3. The Commission's Staff shall file a recommendation regarding Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company's tariffs no later than March 6, 2019.
4. Any other party wishing to file a recommendation regarding Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company's tariffs shall do so no later than March 6, 2019.
5. Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company shall file their proposed tariff sheets in EFIS as actual tariffs.
6. This order shall become effective when issued.
