

give the Commission authority to approve or disapprove the Plan, and it does not authorize or require the Commission to conduct a hearing regarding the Plan. As a result, this is not a contested case. If not for the confidential information problem, there would be no need for any party to intervene in this file. But, granting party status to the proposed intervenors is the best way to control disclosure of the confidential information filed by Ameren Missouri. For that reason, the Commission finds that allowing MIEC and NRDC to intervene will serve the public interest. Therefore, in accordance with Commission rule 4 CSR 240-2.075(3), the Commission will grant the applications to intervene.

THE COMMISSION ORDERS THAT:

1. The Application to Intervene of the Missouri Industrial Energy Consumers is granted.
2. The Motion to Intervene of the Natural Resources Defense Council is granted.
3. This order shall be effective when issued.
