Grain Belt Express Holding LLC for an Order)
Approving the Acquisition by Invenergy Transmission)
LLC of Grain Belt Express Clean Line LLC)

NOTICE THAT APPLICATIONS TO INTERVENE HAVE BEEN GRANTED

Issue Date: February 28, 2019

On February 1, 2019, Invenergy Transmission LLC, on behalf of itself and its parent company Invenergy Investment Company, as well as Grain Belt Express Clean Line LLC, on behalf of its parent company Grain Belt Express Holding LLC, filed a joint application asking the Commission to approve a transaction whereby Invenergy Transmission will acquire ownership of Grain Belt Express Clean Line.

The Missouri Joint Municipal Electric Utility Commission (MJMEUC) and Renew Missouri Advocates d/b/a Renew Missouri filed timely applications to intervene. Those applications were taken up on the record at the procedural conference held on February 28, and no one opposed those applications. Both applications to intervene were granted and MJMEUC and Renew Missouri are now parties to this case.

The Missouri Landowners Alliance (MLA), The Eastern Missouri Landowners Alliance, d/b/a Show Me Concerned Landowners (Show Me), and two individual landowners, Joseph and Rose Kroner (Kroners) also filed timely applications to intervene. The Joint Applicants filed a written response to those applications to intervene on February 25. The Joint Applicants oppose the intervention of the Kroners. They do not oppose the

intervention of MLA and Show Me, but ask the Commission to explicitly limit the interventions of MLA and Show Me to issues germane to the change in ownership of Grain Belt Express. The contested intervention of the Kroners will be resolved in a subsequent order. MLA and Show Me were granted intervention at the prehearing conference. The request to limit their intervention will be resolved in a subsequent order.
