MOTION FOR CLARIFICATION AND EXPEDITED TREATMENT

COMES NOW Evergy Missouri West, Inc. d/b/a Evergy Missouri West (“EMW” or the “Company”), and for its *Motion for Clarification and Expedited Treatment* (“Motion”) states as follows:

1. On September 29, 2023, the Missouri Public Service Commission (“Commission”) issued its *Order Directing Notice, Setting Intervention Deadline and Directing Staff Recommendation* (“Order”) in this matter.

2. The Order sets the deadline for Staff’s (“Staff”) of the Commission recommendation for November 28, 2023 and suspends Tariff Tracking No. JE-2024-0042 (“Tariff”) until January 27, 2024.¹

3. EMW’s annual RESRAM filing requested the new tariff to be effective on December 1, 2023. This request was made pursuant to EMW’s tariff which provides that the Company make a RESRAM filing each calendar year and that the filing becomes effective in December². The tariff also requires that the filing be made 60 days prior to the December effective date.

4. EMW has had discussions with Commission Staff on this matter. Staff has indicated that it hopes to file its recommendation so that it can be considered at the November 16, 2023 Agenda session.

¹ See, *Order*, Ordering ¶3-4, p 2.

² P.S.C. Mo. No.1, 2nd, Revised Sheet 137.2.

5. Pursuant to 20 CSR 4240-2.080(14), the Company requests that the Commission issue an order in this docket as soon as possible with an effective date no later than November 30, 2023. There will be no negative effect on the Company's customers or the general public if the Commission acts by this date. This Motion was filed as soon as it could have been following issuance of the Commission's Order.

6. Staff has advised EMW that it does not oppose the relief requested by this Motion.

WHEREFORE, Evergy Missouri West respectfully requests the Commission issue an order setting deadlines that permits the tariff to be considered at the November 16, 2023 agenda session.

Respectfully submitted,

/s/ Roger W. Steiner
