**RENEW MISSOURI'S STATEMENT OF SUPPORT**

COMES NOW Renew Missouri Advocates ("Renew Missouri") and states:

1. On August 8<sup>th</sup>, Ameren Missouri, the Commission's Staff, and the Office of the Public Counsel filed their stipulation and agreement that would allow Ameren Missouri to pursue three additional Electric Vehicle ("EV") charging sub-programs previously proposed in this case (multifamily, public, and workplace charging).
2. Renew Missouri supports the stipulation and agreement because these EV programs can promote efficient use of Ameren Missouri's system and will serve the public interest because they further encourage renewable development, benefit customers, and reduce net emissions. These outcomes are good for Missouri and the Commission should encourage policies that accelerate those benefits.

WHEREFORE, Renew Missouri asks the Commission to issue an order approving the stipulation and agreement filed by Ameren Missouri, Staff, and OPC.

Respectfully Submitted,
