RE: Revised Tariff, Case No. GA-2023-0374

Dear Secretary Woodruff,

On behalf of Spire Missouri Inc. (“Company” or “Spire”), I am transmitting a revised tariff sheet, P.S.C. MO. No. 9, Second Revised Sheet No. 21.11, correcting the township, range and section submitted on the previous approved tariff sheet 21.11 with an effective date of September 30, 2023.

The previous approved sheet was filed incorrectly incorporating T46, R31W, S18 into Spire’s certificated area. The substitute tariff sheet removes this section, and incorporates T46N, R25W, S16 into Spire’s certificated area in accordance with the Commission’s order approving the certificate of convenience and necessity requested in GA-2023-0374.

A copy of all correspondence, notices, orders, and other communications in connection with this matter should be furnished to Julie Johnson, Spire’s Manager of Tariffs and Rates, 700 Market Street, St. Louis, MO 63101 (Julie.johnson@spireenergy.com) and to the undersigned counsel for Spire.

Sincerely,

/s/ J. Antonio Arias
