ORDER INVITING WORKSHOP PARTICIPANTS TO FILE RESPONSES AND NOTICE OF SCHEDULED WORKSHOP MEETING

Issue Date: March 6, 2019

Effective Date: March 6, 2019

The Commission opened this working case to gather information from stakeholders about potential models for facilitating installation of electric vehicle charging stations. Staff notified the Commission that it had scheduled the first workshop meeting for March 22, 2019. On March 5, 2019, Staff submitted a request for interested participants to provide their opinions regarding the categories of costs that should be eligible for subsidization by utilities or should be eligible for special tariff, accounting, and/or ratemaking treatment under a “make ready” approach. Staff listed numerous types of costs in its filing.

The provision of this information in advance of the first workshop meeting will facilitate productive discussions and the Commission will invite stakeholders to provide their responses. Additionally, the Commission will formally schedule the workshop meeting as arranged by Staff.

THE COMMISSION ORDERS THAT:

1. A workshop meeting will be held on March 21, 2019, from 9:00 a.m. to 3:00 p.m., in Governor Office Building Room 450 (the Ballroom) at the Governor Office Building, 200 Madison St., Jefferson City, MO 65102.
2. Interested participants are invited to provide the information requested by Staff as set out in its March 5, 2019 filing. Such information should be filed in this file and submitted no later than March 14, 2019.
3. This order shall be effective when issued.
