Response to Staff Motion for Procedural Conference

As one of more than 30 complainants, I look forward to the Public Service Commission ordered hearing where we can all work together in going over Evergy's intents in upholding all orders specified in CCN 9470, among other items cited.

Furthermore, I support the staff's November 21, 2023 motion for a procedural conference to support their efficient fulfillment of the December 7, 2023 timeline as ordered in the November 15, 2023 'Order Directing Filing of Proposed Procedural Schedule.'

Respectfully submitted, November 28, 2023 on EFIS
