)
for change of electric supplier.)

APPLICATION FOR CHANGE OF ELECTRIC SERVICE PROVIDER

1. Applicant's address is: 21500 S Knight RD
Peculiar MO 64078

2. The name of Applicant's current electric service provider is: Evegy

3. Applicant requests the Missouri Public Service Commission to order a change of electric supplier to the address indicated above.

4. Applicant requested the Commission to order a change of electric supplier from Evegy
to Osage Valley Electric
(Current) (Requested)

5. Applicant requests the Missouri Public Service Commission to order a change of electric provider for the following reasons. *I am currently building a new house on undeveloped land with no utilities set up. Myself and two others (Matthew Gibread & Trevor King) on Knight RD have been unable to get Evegy to set power up for all three houses.

6. Applicant has taken the following steps in an attempt to work out electric service problems with the electric service provider: I first contacted Energy in March 2023, after calling many times for 2 months I finally got someone who had some information to call me back. I was told they were making a plan to bring in lines from the highway as the other lines on the road are Osage Valley's. Since then I get get anyone to answer calls @ remarks. The other two neighbors have had the same experiences.

WHEREFORE, Applicant requests the Missouri Public Service Commission to issue an Order which changes the current electric service provider.

*If reason for change is poor service, outages, low voltage, etc., applicant should submit a record of service problems covering at least 90 days, including dates and times of problems to the extent possible. Applicant should also attempt to determine reasons for any service problems. For instance, if electric service was out or you are experiencing blinking lights, you should contact the supplier of electric service to determine the problem, and include this information with the application. (If the reasons from the supplier was a storm, car hitting pole, trees in line, conductor fell down, or whatever the supplier states for the problem, this should be noted.)
