¹ Staff agrees that the other procedural requirements reflected in the order adopting the original procedural schedule will remain in effect.

² No deposition may occur after this date, and no DR may be issued such that the response date falls after this date.

Caveat

Staff proposes these deadlines without prejudice to Staff's rights, under the Commission's previous order and the Commission's rules and regulations, to object and seek remediation in response to any effort by the Company to introduce new direct case evidence calculated to address its current failures to present, in its direct case, evidence sufficient to make a prima facie CCN case.

WHEREFORE, the Staff respectfully requests that the Commission make and enter its order amending the procedural schedule to reflect the above-stated procedural milestones and dates.

Respectfully Submitted,
