File No. EO-2024-0142

CORRECTED STAFF’S STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission and makes the following corrected status report:

On December 11, 2023,¹ Staff filed a Status Report. It incorrectly stated that Staff had promulgated data requests on December 7, 8 and 9. Staff did not promulgate data requests on those dates. It *received* data request responses on those dates and based on those responses, anticipates a need for further investigation and more data requests. A specific material issue that remains unresolved is the ownership of certain utility equipment.

Staff, accordingly, advises the Commission that it expects to be able to file a report and recommendation no later than January 25, 2024.

WHEREFORE, Staff respectfully requests that the Commission will accept this corrected status report.

Respectfully Submitted,
