

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Liberty Utilities (Midstates)
Natural Gas) Corp. d/b/a Liberty's) **Case No. GR-2023-0128**
Purchased Gas Adjustment Tariff Filing)

**STAFF RECOMMENDATION REGARDING
LIBERTY UTILITIES (MIDSTATES NATURAL GAS) CORP. D/B/A LIBERTY'S
2021-2022 ACTUAL COST ADJUSTMENT FILING**

COMES NOW the Staff of the Missouri Public Service Commission in the above-captioned matter and files its Actual Cost Adjustment (“ACA”) Recommendation in this case concerning Liberty Utilities (Midstates Natural Gas) Corp. d/b/a Liberty’s (“Liberty”) 2021-2022 ACA filing as set forth in the accompanying Staff Recommendation Memorandum (Appendix A), and further states as follows:

1. Liberty filed its ACA for the 2021-2022 period in this case on November 4, 2022. This filing revised the ACA rates based upon Liberty’s calculations of its ACA account balances for the 2021-2022 period.

2. The Commission’s Procurement Analysis Department Staff (“Staff”) has reviewed Liberty’s filing and submits its recommendation as further explained in the accompanying Staff Recommendation Memorandum, marked as Appendix A and incorporated by reference herein. Staff’s analysis consisted of a review of Liberty’s natural gas supply plans including a review of Liberty’s gas purchasing practices to evaluate the prudence of the purchasing decisions for this ACA period; a reliability analysis; and a hedging review. Staff’s analysis also included a review of Liberty’s billed revenues compared with its actual gas costs to determine whether there exists an over-recovery or under-recovery of the ACA balance. An over-recovery is shown as a

negative ACA balance that must be returned to customers; an under-recovery is shown as a positive ACA balance that must be collected from customers.

3. Based on its review, as discussed in further detail in the accompanying Staff Recommendation Memorandum (in “Public” and “Confidential” formats), Staff recommends the Commission issue an order requiring Liberty to establish the ACA account balance to reflect the over-recovery and under-recovery balances as of August 31, 2022, as shown in the table in the “Recommendations” section of the Staff Recommendation Memorandum.

4. Based on its review Staff has certain comments, concerns and recommendations as set forth in the Billed Revenue, Actual Gas Cost, Reliability Analysis and Gas Supply Planning, Hedging sections, and summarized in the “Recommendation” section of the accompanying Staff Recommendation Memorandum. Staff recommends the Commission order Liberty to respond to these concerns, comments, and recommendations within thirty (30) days.

WHEREFORE, for the reasons stated above and discussed in detail in the accompanying Staff Recommendation Memorandum, Staff recommends the Commission issue an order directing Liberty to respond within thirty (30) days to Staff’s concerns, comments, and recommendations set forth in the “Recommendations” section and to establish the ACA account balances to reflect the over-recovery and under-recovery balances as of August 31, 2022, as shown in the table in the “Recommendations” section of the Staff Recommendation Memorandum.

Respectfully submitted,

/s/ J. Scott Stacey
