

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Spire Missouri Inc. d/b/a)
Spire's Application for Approval of a) Case No. GO-2022-0327
Revised Cost Allocation Manual)

JOINT STATUS REPORT

Spire Missouri Inc. (“Spire Missouri” or the “Company”), Staff of the Missouri Public Service Commission (“Staff”), the Office of the Public Counsel (“OPC”), and the Midwest Energy Consumers Group (collectively, the “Parties”) respectfully submit this Joint Status Report in the above-captioned docket and request this matter be set aside until January 15, 2024, stating as follows:

1. On May 24, 2022, the Missouri Public Service Commission (“Commission”) opened Case No. GO-2022-0327 for purposes of reviewing Spire Missouri’s Draft Cost Allocation Manual (“CAM”) and motion for approval of the CAM, both of which were filed in Case No. GW-2018-0367.

2. After allowing time for responses to the initial filing, a procedural conference was held on July 26, 2022. The Parties agreed to set aside this matter for ninety (90) days to discuss the CAM and a possible resolution. Since then, the parties have requested additional extensions to discuss a resolution.

3. The Parties continue to work to resolve this docket without a need for a procedural schedule, and request until January 15, 2024, to file their next status update.

WHEREFORE, the Parties respectfully request that the Commission issue an order setting the next status update to be due on January 15, 2024, and grant any other relief as the Commission deems proper and reasonable.

Respectfully submitted,

/s/ J. Antonio Arias
